Prefinish Paint

Choose from hundreds of available prefinish paint colors for the door and even the frame!

Our prefinish paint passed ASTM D1308-02 Chemical Resistance Testing for enhanced cleaning.

Quiet Noise 757 Decorative Panel doors control sound up to a STC 48 rating, while adding beauty and sophistication to the opening.

Quiet Noise Decorative Panel doors are available in a 6 panel and high definition 2 panel designs. Perfect for apartments, condominiums, mixed use and assisted or senior living facilities. These products are in addition to the flush STC 32-66 door and frame systems.

Quiet Noise doors include the door and approved seal systems with a certified label. All products have been successfully tested to the required ASTM standards, including ASTM E90, ASTM E1332 and ASTM E413. All Quiet Noise doors are in compliance with HMMA 865 and SDI 128 specifications. Seals and ADA compliant thresholds will be drop shipped to designated address.

ASSA ABLOY offers a full range of specialty openings including acoustical, blast, ballistic, forced entry bullet resistant (FEBR), stainless steel and various multi-solution door technologies. These solutions can meet the Federal Government's common domestic sourcing/procurement regulations including Buy America, Buy American Act, Trade Agreement Act, and American Iron and Steel provisions.
